

## REMARKS

Applicants thank the Examiner for the Office Action of August 19, 2009. This Amendment is in full response thereto. Claims 11-20 are pending in this application.

### Claim Rejections Under 35 U.S.C. § 112:

Claims 11-20 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Applicant has deleted the word "the" before the first recitation of "two main faces". Thus, the lack of antecedent basis problem has been satisfactorily addressed and Applicant requests withdrawal of the rejection.

## CONCLUSION

Accordingly, it is believed that the present application now stands in condition for allowance. Early notice to this effect is earnestly solicited. Should the examiner believe a telephone call would expedite the prosecution of the application, he/she is invited to call the undersigned attorney at the number listed below.

It is not believed that any fee is due at this time. If that belief is incorrect, please debit deposit account number 01-1375. Also, the Commissioner is authorized to credit any overpayment to deposit account number 01-1375.

Respectfully submitted,

Date: **October 7, 2009**
